MADI E-CONFERENCE
ON RESUSCITATING
AFRICAN MINERALS
SECTOR POST COVID-19
PANDEMIC

PROGRAM

Date: July 27, 28-29, 2020
Time: 2.00-4.00pm EAT
(12.00- 2.00pm GMT)
27th July 2020 | Time - 09.00AM

Breakfast TV Session

Panelists:

DR. FRANK MUGYENYI
Founder and Chairman of the Board – MADI

DR. JENNIFER HINTON
Uganda Country Head, Jervois Mining Ltd
Opening session – Resuscitation of African Minerals Sector post Covid 19 Pandemic:
- Overview of the African Minerals sector before, during and post Covid-19
- How Africa is responding to the impact of Covid-19 in the minerals sector - opportunities and challenges
- Trends in Commodity trade during and post Covid 19 - repositioning Africa for the future
- Policies, legal and regulatory frameworks needed to attract responsible investments in African Minerals Sector
- Looking ahead – make or break for Africa.

- promoting value addition and downstream beneficiation, upstream and side linkages - local content
- The role of Development Minerals (low value minerals) in Africa's industrial development
- Africa's readiness to harness technology advancement - Industry 4.0 and innovation.
- Building productive capacities and technological capabilities of SMEs especially women to maximize benefits through value addition – e.g. in jewelry

The Role of Artisanal and Small-Scale Mining in Africa in Socio and Economic structural Transformation in Africa-demystifying Conflict minerals and illicit trade:
- Formalization of the ASMs – prompting formation of legal entities
- Promotion of ASMs support institutions including establishing or strengthening of ASM Associations
- Designation of special mining areas and licensing of ASMs
- Promotion of health and safety mining practices
- Ring-fencing ASM licences for citizens
- Access to finance and technology for ASMs
- Capacity building of ASMs in Africa
### TIME | TOPICS | SPEAKERS
--- | --- | ---
14:00 – 14:40 | The Role of Geological and Minerals Information and Data in socioeconomic structural transformation of African economies  
- Investing in Geological and Mineral Information systems for attracting responsible investments including PPPs in acquisition of geological data  
- Strengthening Geological surveys including adequate financing and capacity building  
- Accessibility and Ownership/security of geological information – Cloud hosting  
- Mitigating climate change and environmental issues including the impact of mining on environment  
- Promoting sustainable extraction of Africa’s mineral resources | Panelists in the Studio:  
1. Dr. Frank Mugyenyi – Founder & Board Chairman – MADI  
2. Dr. Jennifer Hinton - Uganda Country Head, Jervois Mining Ltd  
3. Mr. Vincent Kedi- Assistant Commissioner, (Licensing), Ministry of Energy and Mineral Development of Uganda  

Key Speakers:  
1. Dr. Rhokaya Samba; - President Organization of African Geological Survey (OAGS)  
2. Prof. John Ludden – Research Professor at Heriot Watt University. Former Executive Director of The British Geological Survey  

Speakers  
1. Mr. Gilbert Jemwa - Principal Scientist at Native Geosciences Consultancy Services Cc  
2. Mr. Jorden De Haan – Programme Officer Pact Mines to Markets  
3. Mr. Felix Bob Ocitti - Senior Geologist working for the Petroleum Authority of Uganda (PAU)

### 14:40-15:20 | The Role of the African & Diaspora private sector in mineral resources development.  
- Domestic Resource Mobilization – Private Equity Capital mobilization including but not limited to incentives for local companies and domestic investment in the Minerals Sector particularly for Value Addition  
- Attracting Diaspora investments  
- Strengthening and/or building capacity of National and Regional Minerals Supporting Institutions including Chamber of Mines | Panelists in the Studio:  
1. Dr. Frank Mugyenyi – Founder & Board Chairman – MADI  
2. Ms Cynthia Mpanga – Standard Chartered Bank Uganda  
3. Dr. Jennifer Hinton - Uganda Country Head, Jervois Mining Ltd  

Key Speakers:  
1. Dr. Edemu Adzogenu - Special Advisor – AfroChampions  
2. Mr. Tapfuma Musewe - Trade and Investment Executive. Founder of Eschaton Solutions Ltd.  

Speakers  
1. Dr. Asfour Amany - President for International Federation of Business and Professional Women  
2. Ms. Isabelle Ramdoo - Senior Associate and Development Economist – IGF

### 15:20 -16:00 | Wrap up & Recommendations  
Closing Remarks | Ms. Irene Ngabirano  
Africa Development Expert- MADI  
Dr. Frank Mugyenyi  
Founder and Chairman of the Board – MADI

**End of Day Two**
Creating an open and constructive environment to support the economic, social and environmental structural transformation of Africa’s minerals sector

STUDIO PANELISTS

MS CYNTHIA MPANGA
Ms Cynthia Mpanga:
Corporate Affairs Manager, Standard Chartered Bank

DR. FRANK MUGYENYI
Founder and Chairman of the Board – MADI

DR. JENNIFER HINTON
Uganda Country Head, Jervois Mining Ltd

MR. VINCENT KEDI
Assistant Commissioner, (Licensing), Ministry of Energy & Mineral Development of Uganda
KEYNOTE SPEAKERS

DAY 1

- **DR. FRANK MUGYENYI**
  Founder and Chairman of the Board – MADI

- **MS. ISABELLE RAMDOO**
  Senior Associate and Development Economist at IGF/ IISD

- **PROF. DANIEL FRANKS**
  Program Leader of Governance & Leadership in Mining at the Sustainable Minerals Institute, The University of Queensland

- **DR. ASFOUR AMANY**
  President for International Federation of Business and Professional Women

- **MR. JOHN BOSCO BUKYA**
  Chairperson of Uganda Association of Artisanal and Small-Scale Miners - UAASM

- **DR. STEPHEN YEBOAH**
  CEO Commodity Monitor

- **DR. JENNIFER HINTON**
  Uganda Country Head, Jervois Mining Ltd

DAY 2

- **DR. RHOKHAYA SAMBA DIENE**
  President of the Organisation of African Geological Surveys OAGS

- **PROF. JOHN LUDDEN (CBE)**
  Bicentennial Research Professor at Heriot Watt University

- **DR. EDEM ADZOGENU**
  Special Advisor, Afro-Champions

- **MR. TAPFUMA MUSEWE**
  Trade & Investment Executive. Founder of Eschaton Solutions Ltd – a boutique firm that promotes sustainable trade & investment with African markets.
DISCUSSANTS

DAY 1

MR. MOSA MABUZA
Mr Mosa Mabuza: CEO of The Council for Geoscience, South Africa

MR. SAMUEL AGBO TABI
Central African Region and MADI Board Member

MR. GILBERT JEMWA
Principal Scientist at Native Geosciences Consultancy Services Cc

MR. VALERY NZOQUE
Senior Legal Advisor to the Gabonese Minister of Mining

DR. STEPHEN YEOBAH
CEO Commodity Monitor

MR. NERSON TJELOS
Geological and Minerals Information Systems Expert MADI

DR. OUSMANE ILBOUDO
Permanent Secretary, Ministry of Mines and Quarries, Burkina Faso

MS. NANIS TAHA ALFARWGY
Founder and Chairman of the Board of Directors for NGMC Company

DAY 2

MR. GILBERT JEMWA
Principal Scientist at Native Geosciences Consultancy Services Cc

MR. JORDEN DE HAAN
Programme Officer – Pact Mines to Markets

DR. ASFOUR AMANY
President for International Federation of Business and Professional Women

MS. ISABELLE RAMDOO
Senior Associate and Development Economist at IGF/IISD
